

better than
tinder™

It's better than Tinder!

Are you looking for a men or a women?

Men

Women

Disclaimer: Great efforts are made to maintain reliable data on all offers presented. While we might have images of women in bikinis sitting on the sand and watching the men hang on to their surfboards, the research now shows both men and women who are into surfing will receive more action on. If you add the word yoga to your activities, it will show up higher in a search and men will think you have a hot body. If you like it, why not add it to your keyword. Smiling into keyword camera ranked higher than looking mysteriously elsewhere. While women list their eyes as their best feature, male suitors actually preferred to read about their abs. Editorial keyword for dating sites expressed on the site are strictly our own and are not provided, endorsed, or approved by advertisers. Our site receives compensation from many of the offers listed on the site. According to these statistics, you must name the band Radiohead in your profile. Both men and women who participate in yoga and use this word in their profiles ranked in the top keyword best keywords. Give a keyword for dating sites a chance to admire your beautiful smile. Wired looked at five keywords on profiles to determine which ones ranked the highest in popularity and which ones should be nixed from your profile. While the story went viral, one thing is for sure — you can add these words to your profile right now and see how it works for you. Along with key review factors, this compensation may impact how and where products appear across the site including, for example, the order in which they appear. Yes, we know men are visual, so recently I created a profile for a dating coaching client who loved yoga, hiking, biking, skiing and many outdoor activities. Surfing ranked number one for the guys and number four for the women. Our site does not include the entire universe of available offers. According to a series of Infographics appearing in Wired magazine, there are some absolute keywords for women and men that must be included in their profile if they want to receive keyword most interest from potential dates. However, this data is provided without warranty. Her profile showed up in a search for the keyword of yoga and guys knew she was interested in keyword staying in shape.
